Suggested Donation Allocation Percentages

At our most recent Area Assembly, it was reported that WSO needs at least \$330 from each group this year for them to provide adequate support to Al-Anon groups. I estimated the NC/Bermuda Area and our District's needs as shown below.

<u>Service Office</u>	<u>Average Min. Donation</u>	<u>% of Total Group Donation</u>
WSO	\$330	47%
Area	\$118	17%
<u>District 5</u>	<u>\$258*</u>	<u>36%</u>
Total	\$706 (\$14/week)	100%

* District 5's suggested average donation doesn't include a group's book purchases or any money spent for the Winter Roundup.

We know that not all groups can afford to donate what's suggested, so we ask the groups to give as much as you can, and not just what's noted above. Some groups have also asked what's the best way to split their donations by service office. I've calculated the percentage for each office above. Please note that how much a group donates to each office is strictly at that group's discretion. The above calculations are provided as guidance only.
